

# Interested in being a research study volunteer?

Does your child have Tics or OCD or ADHD or Autism?

Does he/she have an unaffected sibling ?

Are they between 5-18 years old?

If so, they may be eligible to participate in a study examining the relationship between bacteria in the gut and their symptom severity

Contact us:

Calgary Tourette and Pediatric Movement Disorders Clinic, Alberta Children's Hospital, 2888 Shaganappi Trail NW, Calgary, AB

**Phone: 403-210-6876**

**Email: [Elaheh.Nosratmirshekarlou@ahs.ca](mailto:Elaheh.Nosratmirshekarlou@ahs.ca)**

Research coordinator: Ela Nosrat

Principal investigators: Dr. Davide Martino and Dr. Tamara Pringsheim

The study visits will happen at the Alberta Children's Hospital. We will reimburse you to cover any possible transportation and parking expenses.
